## HOT TIMES IN THE OLD TOWN

Another Personal Encounter in Connection With Municipal Campaign.

(Special to The Times-Dispatch.)  
NEWPORT NEWS, Va., May 16.—The second blood of the hottest municipal campaign this city has ever seen was drawn to-day when City Auditor John W. Read and Harry Hills, a newspaper man, engaged in a fist encounter on Washington Avenue, and battered up each other's countenances. The affair was the sequel to the battle between Mayor Moss, Chief of Police Johnson and Justice of the Peace Moss and R. W. Perkins, Friday.

Hills was employed by an afternoon paper Saturday in the place of a member of the staff who was out of the city. He reported the trial of the parties in the fight, and according to the witnesses, misquoted the testimony, giving the Moss people all the best of it. At the Buxton meeting Saturday night there was talk of giving the newspaper man a coat of tar and feathers, but cool heads prevented trouble.

Today City Auditor Read met Hills on the street and took him to task for misquoting his evidence. Hills declared that his report was a correct one, whereupon the auditor called him a liar and struck him in the mouth. Hills struck back, and both parties had drawn blood when they were parted. Hills weighs about twenty-five pounds more than Read, and would probably have had things his way if the bystanders had not interfered. No arrests were made.

The paper in which Hills reported appeared came out this afternoon with an unqualified refutation of the story and of the man who wrote it. In the Police Court Justice Semmes continued the cases of Moss, Johnson and Perkins until after the primary Wednesday.

Hills came here some time ago and claims to have worked for nine years on the New York Journal as a reporter.

## LAGROSSE AT THE UNIVERSITY

The Champions Defeat Virginia by the Score of Fifteen to Four.

(Special to The Times-Dispatch.)  
CHARLOTTESVILLE, Va., May 16.—The first collegiate game of Lacrosse ever played in Virginia occurred at the University this afternoon when Virginia met defeat, 15 to 4, at the hands of the Swarthmore twelve, the intercollegiate champions of America.

Four hundred people watched the contest and exhibited much enthusiasm. By brilliant passing and fast running, the Pennsylvanians scored nine goals in the first half to Virginia's one, made by Henshaw.

In the second half, the Southerners took a brace and surprised the visitors by shooting three goals in succession, two of the points being made by Horner and the other by Hall. Crowell did the best work for Swarthmore, scoring seven goals by hand and accurate throwing. Wells put up a star game at defense for Virginia, making many brilliant stops. Derr, at goal, had an off day.

Alfred James made some clever passes, and Torchlana did some artful dodging and running. The Virginia squad meets the Hopkins here on Friday. To-day's line-up:

## TRAITOR HAD THE PLANS OF TULON

(By Associated Press.)  
PARIS, May 16.—The Matin's London correspondent, having obtained nearly a hundred authentic plans of the fortifications at Toulon, besides numerous other compromising documents, that paper this morning begins the publication of the history of a treason affair which seems likely to exceed in importance all of the sensational trials which Captain Dreyfus was charged.

On April 21st the correspondent received a letter written in a queer semi-French, semi-Italian jargon, and signed "Fragola, Pietro," telling him that the writer was acting as a guide to two persons who had come to London to sell a large parcel of documents of the highest importance concerning French naval defenses.

The letter stated that the men had gone to Brussels, leaving the writer penniless. He therefore wanted to negotiate for the transfer of certain documents, but was unwilling to treat direct with the French government, preferring to deal through the Matin or some other newspaper.

Meeting the correspondent by appointment, Fragola produced eighty plans of the Toulon forts, some of them the originals and others copies, made at the Italian war ministry. He also had in his possession a list of plans of Cherbourg, Brest and other ports, with French instructions, alleged by Fragola to have emanated from the German staff, concerning the marking of batteries of artillery.

There was also a letter appointing a rendezvous at the Thüringer Hof, Berlin, for November 18th, and a card inscribed "Felix Friedrich Scholtz."

The Matin's correspondent gave Fragola a few shillings and persuaded him to leave the documents in his hands in order that an examination of them might be made. The next morning he took them to the French embassy, where the naval attaché declared them to be absolutely genuine.

## AWARDED CONTRACTS. Committee on Poor Providing for Their Protégés.

The Committee on Relief of the Poor met at the City Almshouse last night at 8 o'clock and disposed of a large amount of routine business and awarded contracts for supplies for the institution.

The superintendent was instructed to advertise for proposals for coal, wood, sawing and dressing wood, for fuel, and present same to the next regular meeting.

The following contracts were awarded for one year from June 1, 1904: Fresh sweet milk and butter, to F. F. Reinecke and Company; fresh meats, to John J. Graving.

The following contracts were awarded for a term of three months from June 1, 1904: Bacon, shoulders and lean, to Stokes-Grymes Grocery Company; spring wheat flour and salt, to L. C. Younger; lard, to W. S. Forbes and Company; rice, to E. A. Saunders Sons Company; coffee, to Aragon Coffee Company; sugar, berries and canned corn, to R. S. Williams and Company; hose, half hose, colored domestics and jeans, to Burnett Lewis; men's coats and pants, to John J. Reichler; men's breeches and old women's shoes, to W. R. Phillips and Company; men's shoes and women's shoes, to V. A. Chaswood; whiskey, to Straus, Gunst and Company; drugs and medicines, to L. Wagner Drug Company.

For new sanitary plumbing in the women's ward in the white department was awarded to Bowman and Gregory.

WYTHEVILLE, Va.—The Wytheville Gun Club is making extensive preparations for a tournament in which will be held here in the first and second days of June and are now preparing an elaborate program which will take the whole of the two days.

## CLOSING OF CONVENTION

Southern Baptists Adjourn After a Most Successful and Harmonious Meeting.

NOW HAVE PUBLISHING HOUSE

Greater Portion of Final Day's Proceedings Devoted to Discussion of Missions.

(From a Staff Correspondent.)  
NASHVILLE, TENN., May 16.—The forty-ninth session of the Southern Baptist Convention closed to-night in a flame of glory, so to speak.

The meetings have been harmonious from the start to finish, and notwithstanding the fact that the winding up meeting to-night was like that of all former sessions, when belated orators tried to get in long delayed speeches, everything went off in the best of humor and utmost harmony prevailed. Under the troubles and all the friction were settled in committee rooms.

The morning session was given over almost entirely to consideration of the reports of committees on the various departments of the work of the Sunday School Board and publication house. These reports, which have been published almost in full in these dispatches, met with little or no opposition, but rather with the enthusiastic approval of the great Baptist heart. The result was no discussion at all, but the speeches were all one way and awakened an enthusiasm that could not be held down by the president's gavel, and time again the convention got off its feet in cheering and applauding.

The result was no discussion at all, but the speeches were all one way and awakened an enthusiasm that could not be held down by the president's gavel, and time again the convention got off its feet in cheering and applauding.

## Secured Baptist Publishing House

The Sunday School Board has solved the problem that has been on the hearts of Southern Baptists for many years—how to get a publishing house of its own and put it on a firm foundation.

In a quiet and unobtrusive way, and almost before the great Baptist brotherhood knew what was going on, the board, under the superb business management of Dr. J. M. Frost, has solved the problem of the Baptists have their publishing house well established in this city.

No wonder the morning meeting was a kind of spiritual celebration of great results accomplished, and the board was greatly encouraged.

At the afternoon session, the president called for reports of all the committees, and asked that all the winding up business be disposed of, so as to give the Foreign Mission Board a clear track for the remainder of the afternoon session, and during the night session.

Some changes were made in the membership of the various boards. The changes in the Foreign Board, located at Richmond, makes R. H. Garrett and Weston Bruner new members, who take the places of Dr. A. E. Owen and Dr. Harry Bagby.

## Missions Discussed

The convention adopted resolutions asking the aid of Congress and the Secretary of State in opening up the Congo country, in Africa, to Protestant missionaries. It is now by edict of King Leopold open only to Catholic missionaries. By resolution also the convention agreed to send fraternal delegates to the National Anti-Saloon League. The report from the Woman's Missionary Union was received with enthusiasm. Much other routine business was transacted, and then Dr. Willingham took charge of the meeting, the convention having practically resolved itself into a Foreign Mission mass-meeting. Nobody objected to anything in Dr. Willingham's report, or in the recommendation of the various committees that reported on the same. The unusual feeling of the convention at the afternoon and night sessions seemed to be enthusiastic approval of all the board and the secretary have done, and a desire to give them free hand to go right ahead with the great work of the lines already pursued, and with wonderful enthusiasm, he convention bid Dr. Willingham and his board God speed with a rousing promise that they should have at least three hundred thousand dollars for another year.

At both the afternoon and night sessions a dozen or more missionaries, male and female, some from foreign fields and some just starting there, had seats on the platform during the proceedings. Each had a few remarks to make, and it was wonderful what enthusiasm they created.

## Convention Closes.

The night session, which closed the convention, was but a continuation of the Foreign Mission mass-meeting. This has been a great session of the convention, the greatest in some respects ever held. Of it Dr. Hatcher said to me: "It strikes me that the convention is the equal of any ever held. It is a great body, and the personnel is magnificent. It has been rich in harmony, absolutely free from an obstruction."

five element and full of sense and courage.

"The gift of more than \$50,000 to the Endowment Fund stands unmatched. It was intended simply to start the money, but for an increase of the Endowment Fund, it went more than \$10,000 beyond the sum asked on the occasion, and more contributions are constantly coming in. The value of this has not yet been realized, the effort will be electric, and irresistible throughout the South."

"The Home Mission Board has manifestly moved up many points in the confidence of the convention. Dr. Gray will make a great secretary. After the meeting at Raleigh, the pride and hope of Southern Baptists. Something will be heard from Foreign Mission Board to-morrow, and you may look out for an inspiring report, and a day of enthusiasm."

The customary resolutions of thanks were passed and there were addresses by several prominent men on missionary work in foreign lands. Dr. E. E. Bomar, of Richmond pronounced the benediction.

structed for Hearst.

Gould's election was brought about by the vote of the San Francisco delegation.

Delegates opposed to Hearst are willing to pass laudatory resolutions and will not make even a hard fight to select delegates known to be opposed to the passage of the anti-trust rule. Hearst adherents are not willing to accept to-day's vote as a final test. They say that personally entered into the contest to a great extent, and many of those who voted for Gould, they say, are favorable to instructing the delegation for Hearst.

Hearst partisans announce that they will make no compromise, but must have an instructed, united delegation. After completing temporary organization, the convention took a recess.

## Convention in Wisconsin To-day

(By Associated Press.)  
MILWAUKEE, WIS., May 16.—The Democratic State convention will meet here to-morrow for the purpose of electing four delegates at large to the national convention, and the selection of the delegates named by the Congressional District caucus and choose a national committeeman, and name presidential electors.

From the returns of the caucuses throughout the State, Edward J. Walsh, of this city, candidate for the presidential nomination, will undoubtedly be endorsed by the convention over William R. Hearst, the only other candidate who has been seeking the control of the State delegation.

## A Parker Victory in Florida.

(By Associated Press.)  
JACKSONVILLE, Fla., May 16.—In the recent primary two tickets for delegates to the National Democratic Convention were in the race. One was put out by the Hearst clubs and the other was in the interest of no particular candidate. Returns show that the Hearst men have won the first primary. The six anti-Hearst delegates are uninstructed, but all have expressed themselves as in favor of the nomination of Judge Parker.

## Ohio Democrats Instruct.

(By Associated Press.)  
CINCINNATI, O., May 16.—The convention for selection of delegates to the National Democratic Convention from the First Congressional District of Ohio met to-day and chose delegates who, though not instructed, are understood to favor Judge Harmon for president.

## Twin Sullivan Gets Decision.

(By Associated Press.)  
TOLEDO, O., May 16.—Mike "Twin" Sullivan was given the decision over Gus Gardner in a fast ten-round fight here to-night.

## CORTLEYOU FOR SECRETARY NATIONAL COMMITTEE

(By Associated Press.)  
WASHINGTON, D. C., May 16.—George B. Cortleyou, secretary of the Department of Commerce and Labor, is seriously likely now, may be selected as chairman of the Republican National Committee. Several widely known and influential Republicans have been considering the important position. Some time ago the name of Secretary Cortleyou was suggested. It met instant favor. He is regarded as being admirably equipped for the position, possessing fine executive ability and a thorough knowledge of men and affairs.

## Local Assessments.

The Committee on Local Assessments met at 8 o'clock last night to fix a time for the hearing on assessments for sidewalk paving and sewers. The committee decided to have regular meetings on the 15th and 25th of each month at 8 P. M., except when these dates fall on Sunday or the day after the meeting shall be held on the following Monday.

A great number of assessments are now being made, and it was ordered that proper notice be served in cases for a hearing at the regular meeting to be held on June 15th. The law allows the owner of property assessed, at least fifteen days in which to have notice, and therefore no public hearing will be held on the 24th inst.

## THE FEMALE UNIVERSITY

Elaborate Ceremonies to Attend the Dedication of New Buildings To-day.

THE FAIR GRADUATES

Original Deed Conveying to State Site on Which Raleigh Stands Found After Long Lost.

(Special to The Times-Dispatch.)  
RALEIGH, N. C., May 16.—The commencement season for the Baptist Female University began yesterday morning, with the baccalaureate sermon preached by Rev. Calvin S. Blackwell, D. D., pastor of the First Baptist Church of Norfolk, his theme being "The Bible a Living Oracle."

This was followed at night by the missionary sermon by Rev. H. W. Battle, D. D., late of Virginia, but now pastor of the First Baptist Church of Greensboro. Both were able discourses, and were heard by immense audiences.

There was a grand concert to-night, and to-morrow morning at 10 o'clock elaborate ceremonies dedicatory of the University buildings will be held. This service has been postponed until now in order to have the property entirely out of debt before dedicating it. The graduation exercises will take place immediately after the dedication services.

The graduates are Miss Margaret Furgeson, Raleigh, N. C.; Miss Virginia Egerton, Raleigh, N. C.; Miss Mattie Haynes, Asheville, N. C.; Miss Lizzie Dixon, Goldsboro, N. C.; Miss Carrie Booker, Mt. Airy, N. C.; Miss Isabel Gulley, Wake Forest, N. C.; Miss Maggie Lewis, Scotland Neck, N. C.; Miss Laura Cox, Winterville, N. C.

THE WACCAWAM LAND AND LUMBER COMPANY, of Brunswick county, was chartered to-day with \$1,000,000 capital, the incorporators are F. W. Wheeler and E. H. Sillemann, of Detroit, Mich., and Congressman John D. Bellamy, of Wilmington. They have purchased immense tracts of timber lands in Brunswick and adjacent counties.

## DEED TO RALEIGH.

The original deed by Joel Lane, conveying to the State of North Carolina the site for the location of Raleigh as the State capital, has just been found after being misplaced in the office of the Secretary of State for many years. It bears date of April 5, 1792. It conveys 756 acres at \$3 and 42 ac. 100, the latter price being for sold fields. The price paid was \$3,726 pounds in English money. Later the State sold off this land in lots, the sales being by auction to the highest bidder.

## BRUTALITY TO AN OLD MAN

(Special to The Times-Dispatch.)  
SALISBURY, N. C., May 16.—Thomas A. Foll and Adam Pool, two white men of Providence township, both of whom spent Saturday in Salisbury, are in jail to-day charged with a capital crime on a white man named Lawson Josey, aged sixty. Josey took Foll and Josey in his wagon. All three of them were drinking, and exactly what transpired between the two parties is not known. The charge is the commission of the crime is not known. When Josey was found he was in a horribly mutilated condition and was taken to the home of Mr. Foll nearby.

The mutilation was not completed, but a message from Craven this afternoon says the old man is in a very critical condition. The extreme penalty for the above crime is fifty years in the State penitentiary. Both men deny the crime.

## PRESIDENT POLK'S NIECE SAYS "PE-RU-NA IS WOMAN'S FRIEND."

Mrs. Minnie Lee Collins, of Tennessee, says Peruna cured her of female trouble after the best physicians had failed.

Mrs. Minnie Lee Collins, Grandniece of the late President James K. Polk, writes from No. 912 High Street, Nashville, Tenn.:

"For several years I experienced a severe attack of female trouble. The best physicians prescribed for me, but without avail. Two years ago I began to take Peruna at the advice of a friend. I noticed a perceptible improvement at once; after taking several bottles I was cured. I hold Peruna in high esteem and am always ready to say a good word for it."—MINNIE LEE COLLINS.

This is the same old story told by a thousand women in a thousand different ways. Female trouble; doctors fail to cure; Peruna, as a last resort, a happy relief from a dreary servitude to achieve a complication of physical anguish that can never be described.

These women all tell the same story. Pains all gone, dragging sensation gone. Quivers and throbbings and tremblings and dizziness and nausea and the irregularities and painful periods—all gone. In their place has come vigor and vivacity, health and hope, peace and patience, grace and gratitude.

and that for asphalt blocks, \$1.18.

Before the paving matter came up, the Passenger and Power Company and the Traction Company presented a petition, asking that the city engineer be allowed to put down certain tracks on Church Hill without using concrete. Chief Engineer Whiteley, in making a brief speech in favor of the petition, on behalf of the company, created great laughter by declaring: "I am here not to make an argument, gentlemen, but to tell you the truth."

## All Were Present.

When Chairman Otway S. Allen called the meeting to order at 5 o'clock every member of the body answered to their names.

Colonel W. E. Cutshaw, City Engineer, was at his desk, and City Attorney Polard was also present, as were quite a number of citizens and persons interested in the matter. The fight for smooth paving contracts.

On the blackboard were diagrams, showing the thickness of the various kinds of smooth pavement offered, these diagrams having been drawn by Assistant City Engineer.

When the minutes had been read and approved, there was a little brush over a request from the Passenger and Power Company to be allowed to lay certain tracks on Church Hill without concreting the foundation.

Mr. Peters fought the proposition, and it was defended warmly by Mr. Mann. Mr. Peters declared that the company was attempting to evade their contract. The city had to keep her and the same rule should apply to the company. The petition was rejected.

Before the smooth paving matter came up, the following program was received by Colonel Cutshaw, from the City Engineer of Norfolk city:

"About two years ago Mr. Scott offered to lay bituminous pavement here for \$1.10."

## Rules Suspended.

On motion of Mr. West, the rules were suspended, and the smooth paving matter taken up. Mr. Huber moved that all bids be rejected, and others asked that the city engineer be allowed to put down certain tracks on Church Hill without concreting the foundation.

This motion was adopted.

Mr. Peters wanted no bids to be considered, save those based on specifications prepared by the Engineer's department. Mr. Huber thought to White Brothers & Co. should be allowed to bid on their own specifications, and Mr.

## GRAVITY SUPPLY.

### Bids Open for Lynchburg's New System of Water Works.

(Special to The Times-Dispatch.)  
LYNCHBURG, Va., May 16.—Bids for Lynchburg's gravity water supply were opened this afternoon. No information as to the successful concern will be given out until to-morrow. There were eleven bids for the construction of the twenty-five miles of pipe and six bids for the construction of the sixty-foot dam on the shoedwaters of the Pedlar River, from which the water will be brought to the city.

It is known that more than one of the bids was under the sum of \$500,000, which, it had been estimated, the city will have to spend for the proposed improvement.

## Pump at Oakwood.

The Committee on Cemeteries met in the City Hall at 5 o'clock yesterday afternoon and approved the regular payroll and sundry bills. The committee awarded a contract to the Southern Machine Manufacturing Company for installing a new double cylinder gasoline engine and pump at Oakwood Cemetery. Other bidders were the Richmond Engine and Pump Company, Novelty Repair Works and Sydnor Pump and Well Co.
